Waste Treating Study Advances

Work is progressing on the feasibility study for the chemical re-treatment of phosphates and suspended solids at the City of Grayling waste treatment plant. Tests began on March 27 and will continue for several weeks.

The program was the result of a study between City Manager Rolf S. Cliff and representatives of the Michigan Department of Public Health, the State of Michigan Water Resources Commission, the Dow Chemical Company, and the Michigan Department of Natural Resources. The study is to determine the feasibility of treating the main stream of the AuSable River and protection of trout fishery from further degradation are objectives established in the Water Resources Commission's study of the AuSable River Basin.

Dr. Green, sanitary chemist, Fred Eyer, sanitary engineer, Michigan Department of Public Health, began a two-week residence in Grayling to conduct the study. They have been installing additional laboratory equipment and facilities at the Grayling plant.

Dr. Ronald F. Wukasz and Ron Schuessler, sanitary engineers, Michigan Environmental Control System group, were in Grayling Tuesday to discuss progress of study and to assist in the laboratory program.

Terrie Crow, Michigan Department of Public Health, is basin engineer for the AuSable River in A. F. Hawanay, sales engineer for Dow, is also assisting in the project.

ONLY 245 VOTE

Golnick, McEvers and Thomson Win Three City Council Seats

With about twenty-five percent of the registered voters going to the polls Monday, three new City of Grayling councilmen were named. Elected were Robert Golnick, Derek McEvers and Paul Thomson. Clarence "Tony" Gross, the fourth man in the race finished up just a scant two votes behind Thomson.

Golnick headed the list with a total of 196 votes, receiving 100 in precinct one and 96 in precinct two. McEvers tallied 184 votes with 94 in precinct one and 90 in precinct two. Thomson had 92 in precinct one and 71 in precinct two for a total of 163. Gross with a total of

161 got 82 in precinct one and 79 in precinct two.

In precinct one 125 voters cast their ballots while 120 voted in precinct two. In the 1965 City Election, 294 voters went to the polls. It would appear that voter interest is continuing to wane.

The three new Councilmen will replace Mayor J. E. Cook and James Duley and Howard "Whitey" Madsen. A meeting of the new Council is set for next Monday night when the group will decide on a new Mayor and Mayor Pro-Tem.

Michigan Army Guard Splits Up For 1967 Summer Training

Michigan's Selected Reserve Force Guardsmen of the 2nd Brigade, 46th Infantry Division, will go to summer camp earlier than most Michigan Army National Guardsmen it was announced today by the State Adjutant General, Major General Clarence C. Schnipke. The 2nd Brigade will train at Camp Grayling 10-24 June while the majority of Michigan's units will be in camp 15-29 July.

The 2nd Brigade consists of Headquarters and Headquarters Company, 2nd Brigade 46th Infantry Division from Wyoming, Michigan; the 1st Battalion, 125th Infan-

try, with units in Flint, Alma, Ionia, Saginaw and Port Huron; the 1st Battalion (Airborne) 225th Infantry with units in Detroit, Pontiac and Owosso; the 182nd Artillery and Troop B, 1st Squadron, 146th Cavalry from Detroit and the 3rd Battalion, 128th Infantry with units in Wyoming, Greenville, Holland, Big Rapids and Grand Haven.

When the Annual Field Training schedule was originally set up all Michigan Army National Guard units would have trained together during the July session. Plans had to be changed when the U. S. Army announced exercise "Kittyhawk" which is scheduled to take place in North Carolina in August. "Kittyhawk" affected the Selected Reserve Force units of Indiana's 38th Infantry Division which in turn affected Indiana's troop strength at Camp Grayling. It all added up to a budgetary problem which necessitated Michigan's 2nd Brigade to join forces with Indiana's 38th Infantry Division Non-SRF units at Camp Grayling 10-24 June.

Your cooperation is requested. Please call Mr. McEvers; 348-4471, or Laura Morse, 348-2781 for an appointment. Drop-ins are welcome.

NEW BUSINESS IN THE GRAYLING AREA

The Arrowhead Inn has been purchased by Mr. and Mrs. John Desso from former owners the Walter Johnsons and Monday of this week builders were brought in to begin repair of the damage from last year's fire. Some remodeling is also planned. Mr. Desso said, but his aim right now is to get the place back into operation, which he hopes will be from four to six weeks.

Stewart Infrared Commissary of Grand Rapids, Inc. has purchased property, this side of Humphrey's Motel on US-27 North of Grayling, and Albert Muth and his wife of Erie Street, formerly of Grand Rapids, is the distributor for the company. Mr. Muth is a cousin of Frank Muth of Grayling.

Thane Hendershot of Grand Rapids has rented the area in back of the old Founding Mill to a Mr. D. M. Peterson of Houghton Lake, who is planning to put in a sawmill there. Mr. Peterson has had sawdust and old lumber and debris trucked out of the area to clear it for his operation. Mahlon Riker of Riker Building Materials, Inc. is joining in the cleanup by tearing down the old building by the County barn also.

BOY SCOUTS ATTEND TRAINING COURSE

Twelve Boy Scouts from Grayling Troop 77 attended an all-day training conference in West Branch Saturday, April 1st. Purpose of the conference was the training of Den Chiefs. The training was conducted by Cubmasters of the Paul Bunyan Council, under the direction of District Scout Executive Daniel Miller.

Den Chiefs are Boy Scouts who help Den Mothers of a Cub Scout pack conduct pack meetings. Scout Executive Daniel Miller presented the following boys with certificates that they had successfully completed the course: Daniel McIsaac, Patrick McIsaac, Mitchell McIsaac, Pat Gorman, Tom Stanton, John Rasmussen, Steven Church, Perry Corlew, Donald LaTussek, James Bohnmeyer, Joel Sewell, and Richard Filley.

Mr. Bert Sewell and Cubmaster Earl Whaley, furnished transportation for the boys.

Minors Attend K. of C. 85th Anniversary Dinner

Mr. and Mrs. Carl Minor were in Beal City last Wednesday to attend a Knights of Columbus Fourth Degree celebration. The occasion was in honor of the 85th Anniversary of the founding of the Knights of Columbus on March 29, 1882. The banquet was given by the Mount Pleasant Fourth Degree General Assembly, of which Mr. Minor is a member, as well as a past District Deputy of the Michigan jurisdiction.

Chamber Now At Indiana Show

Special from Indianapolis Sport and Vacation Show

By Marilyn and Chum Longworth

We thought temperatures were nice in Cleveland, but the Indianapolis show opened with 75 degree temperatures and good crowds. The first three days have seen a gate of 75,000 people.

The people attending the show are more conservative than those in Cleveland and do not pick up literature as readily as those in Cleveland. Exhibiting in the East Michigan Tourist Association booth are Mr. and Mrs. Harry Collins promoting the Gaylord area. Still with us from E.M.T.A. are Mr. and Mrs. Ted Benton and Mr. Al Smith.

Again in this area, our AuSable River system is well known, but interest is pretty well divided between canoeing, fishing, camping, and resort inquiries.

An evaluation of both shows brings what we think is a very weak point in our attempt to be a vacation oriented area, and this is a lack of resorts catering to family vacationers. Other areas exhibiting at the vacation shows have strong vacation resort literature, and yet do not have the primary points of interest that we have in a beautiful AuSable River system, fine lakes, and wholesome recreation.

As we evolve from a transient tourist center to a vacation center, we are certain that the resort matters will take care of itself, but those people with resorts will have to promote their business in a competitive manner as those in our neighboring communities do.

We have had the opportunity of meeting and conversing with many National Guardsmen and their families from Ohio and Indiana, have given these people information relative to our region, and have acquainted them with the many vacation and recreational uses that our region has.

It is indeed a pleasure to be able to extol the virtues of Grayling and Crawford County with its clean waters and air while we are immersed in smog and look out on rivers that are clouded with mud and sewage.

We have been fortunate in meeting Outdoor writers in Indianapolis, and these writers will be happy to receive and disseminate all information relative to Grayling and Crawford County.

Mr. and Mrs. Gordon Armstrong of Frederic have a baby girl, the first after five sons, born April 3, birth weight 8 lbs. 4 oz.

What Is Your Opinion?

The public is urged to attend a community action meeting to be held in the Alumni Room at the gym at 8 p. m. on April 13th, and voice their views on what community programs they feel would be most beneficial to the area, especially concerning adult education courses.

Bob Johnson, the new director of One-Cap, will be present at the meeting and is eager to become acquainted with the people in Crawford County.

By Howard Taylor

Friday evening, April 7, will mark the opening of the First Annual Fine Arts Festival sponsored by the Fine Arts Department of the Grayling High School. This year's festival will feature eight consecutive nights of the finest in cultural entertainment. All of the events will take place in the high school gym and all are urged to attend.

Opening the festival will be a series of one act plays, presented by the Speech and Drama Department under the direction of Mr. Carl Mine. These plays are staged and directed by members of the speech classes and the local drama club. Also, a new twist will

be added to these productions, they will be presented in a "theatre in the round situation," that is, the action will take place on the gym floor and the audience will be seated all around the stage.

Monday, April 10, will feature a student recital presenting performances by many of our local high school artists. Solos by both vocal and instrumental students will be performed, as well as some demonstrations in Forensics and ensemble work. Students will not only demonstrate their own accomplishments but will also give the audience a short lesson in Music History and Appreciation by short explanations concerning their work, the composer and the media for which it was written.

April 15th to June 15th For Clean-Up

A two month period has been set for the Annual Clean Up, Fix Up, Paint Up campaign in Grayling for this year, reports Mrs. Lora Gould, chairman. The dates will be from April 15th to June 15th, she says.

Several innovations are being prepared for this year's campaign which will be announced next week. Any worker from last year who has campaign material is asked to leave the material at the Housing Commission office at the Grayling City Hall or at the Avalanche office.

KAREN WEDGE IN KALKASKA FESTIVAL

Miss Karen Wedge, Miss Grayling first runner-up, represented Grayling at the National Trout Festival in Kalkaska last Saturday, taking the place of Miss Grayling Vicki Wells, who was unable to attend. Karen, a senior at Grayling High School, was accompanied to the contest by Mrs. Ralph Hoffman and came home the winner of the swimsuit competition, for which she was presented with a trophy. She is the daughter of Mr. and Mrs. Roy Wedge of Lake Marquette.

13 young ladies competed for the crown of National Trout Queen at the festival, which was held on March 31st to April 2nd. Winning the Crown was Connie Sue Cherven, daughter of Mr. and Mrs. Al Cherven of Roscommon. Mrs. Cherven is the former Kathleen Kraus. Connie Sue has many friends in Grayling. She is a brunette, eighteen, and a student at Marygrove College in Detroit.

DID YOU NOTICE!

Wednesday of this week was quite a special day. You could write the date 4/5/67. Next time you'll get a chance anything like this will be next year in February on the 4th. Then it will be 2/4/68.

Kiwanis Club

Notes

By Leo Rochette

This week's meeting of the Kiwanis Club was held at the Chief Shoppengons Motor Hotel Monday.

Since this was the first of the month, a Board of Directors meeting was held in place of the usual program.

The club would like to express its sincere appreciation of the fine job the Grayling Boy Scouts did in passing out the handbills last week advertising the Kiwanis car wash.

Next week's meeting will be at the Chief Shoppengons Motor Hotel at 6:15, April 10th.

Luncheon Launches Cancer Crusade

The Crawford County Cancer Society's crusade for funds began on Monday afternoon following a luncheon held at the Penguin Inn at 12 o'clock. Approximately 50 volunteers were present.

Dr. B. E. Henig, County Chairman, presided at the meeting. The trend Robert Haskell gave the opening remarks.

Dr. Henig explained how the cancer money is spent locally. Mrs. Mary McEvers, treasurer of the county society, also reported on the year's expense ledger, which totaled \$569.05. Mrs. Henig also stated that the service closed, which is handled by Mrs. Earl Rasmussen, had made many loans of equipment. One does not have to be a cancer patient to use these facilities.

Mrs. El Beery spoke on the value of cancer education. She mentioned the various ways in which a society seeks to keep people informed. These include pamphlets, posters, direct mailings, films, both adults and young people 4 door to door contacts. The Society has enjoyed the cooperation of the school officials. Films on the hazards of smoking are shown early to students in the fifth, seventh and ninth grades. Also Mr. Arthur Burt, art instructor, has been most helpful in overseeing the "Paint the Town" contest which made this year to help make people aware of the cancer drive and remind them of the cancer problem.

Mrs. Bruce Carlson, drive chairman, announced that the drive quota this year is \$1,193.04. She mentioned that Crawford County was second in the state to report its quota reached last year and hoped this year we can be first. Also last year \$2,148.90 was raised, or 187% of the quota. It is hoped that 200% of the quota can be raised this year.

Cancer literature was explained to the volunteers. Mrs. Richard DuBois is co-chairman of the crusade.

Mike Taylor of Cadillac, representative of district 7 of the American Cancer Society of which Crawford County is a part, was present. Mrs. Ruth Caid, Mrs. Margie Harwood, Mrs. Shirley Rauch, Mrs. Naomi Kelly, Mrs. Irene Wyman, Mrs. Mildred Blaine, Mrs. Nancy Cox, Mrs. Eleanor McIsaac and Mrs. Geneva Douglas were eligible for five-year service pins. These were presented to those of this group who were present by Mr. Taylor. He also presented Mrs. Carlson with a plaque for her three years' service as a very effective drive chairman and gave a merit award to Mrs. Beery for her excellent program of cancer education.

Mrs. Henig thanked the Grayling State Bank for sponsoring the luncheon and Mr. and Mrs. John LaTussek for the splendid meal which was served buffet style.

A movie pointing out how cancer funds are spent nationally was shown at the conclusion of the meeting.

Winners in the Cancer Education poster contest were the 10th grade, 1st prize of \$50; 9th grade, 2nd prize, \$25; 8th grade, 3rd prize of \$10. These posters are located in the Mercantile, Dawson's and Shoemaker's windows respectively. There was a three way tie for 4th place.

The posters were judged on the point system by the seven members of the Cancer Education Society.

Circuit Court Next Tuesday

The April term of Circuit Court for the County of Crawford will open next Tuesday, April 11th at the Crawford County Court House at 1:30 p. m. with the Honorable Dennis O'Keefe, Circuit Judge presiding.

The court calendar for this term is not as heavy as the past several terms of court. There is but one criminal case listed and that only for sentencing of James Earl Rankin.

There is also but one civil jury case, a complaint and five non-jury civil cases including the annual tax sale and three divorce cases and a complaint.

Drawn for possible jury duty are: Harry McEvers, Mrs. Lyle Johnson, Mrs. Forrest Barber, Leo Hirvela, Mrs. Irving McIsaac, Clair Madsen, Frank Bennett, Donald Feldhauser, Morden Post, Clarence Hill, Herald Riggs, Albert LaFontaine, William Beck, Loretta Plagens, Joseph Hennig, Mae Verlinde, James Douglas, Claude Cole, Edward Duby, Naomi Barber, John LaBarge, Louis Legg, Margaret Griffith and Ralph Morse.

COOR Planners Hear Oakland County Expert

Dr. Loyal Joos, Director of Systematic Studies, Oakland County Intermediate School District recently addressed the COOR Intermediate School District Planning Committee at a meeting held in Roscommon, Michigan. The topic of discussion was Education Innovations and the Provisions for Individual Differences.

Dr. Joos is serving as consultant along with other outstanding educators, for the COOR Intermediate School District and other school districts in a ten-county region in Northern Michigan. This project entitled Polaris-Apollo is a new concept in planning creative and innovative education programs which will serve school children in the COOR schools.

Gerald D. Hanson, Coordinator of Federal Programs, COOR Intermediate School District, and Edwina Shiel, Librarian, West Branch-Rose City Area Schools serve on the Polaris-Apollo Executive Committee.

NORCAP, NYC GIVEN \$457,450.00 AWARD

Mt. Pleasant — A grant totaling \$457,450 has been made by the Department of Labor to the NORCAP (Neighborhood Youth Corps) (NYC) for the operation of an out-of-school Neighborhood Youth Corps program according to an announcement, Friday, March 31, by Senator Philip Hart.

The grant will be used to employ out-of-school youth from low income families in the 33 counties in northern lower Michigan served by NORCAP.

The youth will work as aides in hospitals, schools, libraries, playgrounds, parks and local and state government. They will be paid \$1.25 an hour.

Although this will be the first time the two states have teamed up for annual field training at Camp Grayling, Guard commanders do not feel they will encounter any major training problems. The Michigan and Indiana Guardsmen will be joined by two VI U. S. Army Corps units, one XI U. S. Army Corps unit and one Illinois Guard unit in the early camp session.

The rest of the summer camp training schedule at Camp Grayling shapes up this way. The Ohio Army National Guard will train from 24 June to 8 July. The Buckeye Guardsmen will be joined by two Guard units from Washington, D. C. and two units of the Army Reserves.

From 15 July to 29 July the camp will be occupied by Michigan Guardsmen together with two aviation battalion units from Indiana, four units from VI U. S. Army and one unit from XI U. S. Army. The Michigan units will include the 46th Infantry Division (Non-SRF), Headquarters and Headquarters Detachment from Lansing, the 126th Infantry Division Detachment from Detroit and the 149th Engineer Company with units in the U. S. P. Ohio's 37th Infantry Division will report to camp 28 July through 12 August. Two U. S. Army Reserve units will also be in camp during those two weeks.

Fort Custer near Battle Creek will also serve as a summer training site this year for three Michigan National Guard units. The 156th Signal Battalion with units in Detroit, Adrian, Monroe and Kalamazoo will be in camp 10-24 June. They will be accompanied by Co. C, 107th Medical Battalion from Detroit and the Michigan Military Academy cadets.

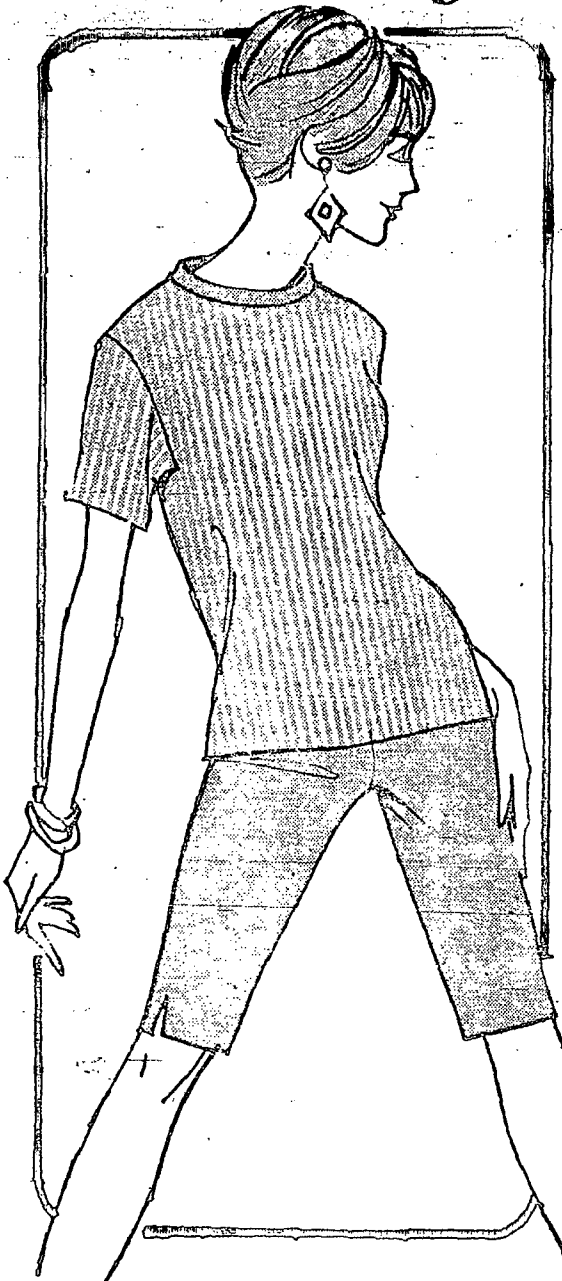

Only one Michigan Army National Guard unit is scheduled to train out of the state this year. The Selective Service Section, Headquarters and Headquarters Detachment will go to summer camp from 4 to 18 Nov. at Corpus Christi, Texas.

WARNING

The Army and Air National Guard will be doing air to ground bombing Friday thru Sunday April 7, 8 and 9 in the Artillery Range north of County Rd. 612 and south of the North Branch of the AuSable River, and each Thursday thru Sunday until May 28th. All persons are warned to stay out of the area.

As an economy measure, the Mt. Pleasant office of NORCAP has realigned districts and has advised Mrs. Walter Johnson that although the Grayling office will be closed, she will be operating from the Gaylord office. The phone number of the Gaylord office is 732-2031, and it is located upstairs in the Glasser Building, 149 W. Main Street. Even if Mrs. Johnson does not happen to be in the office, there is always someone there to take messages. Mrs. Johnson also stated that she will contact her at

Traffic Up 43%

I-75 Is Boom To North's Business

LANSING—The Ohio-to-Soo Freeway "is triggering significant economic expansion" in Northern Michigan, the State Highway Commission reported today.

Commission Vice Chairman Charles H. Hewitt of Detroit said summer traffic volumes in the Northern half of the Lower Peninsula increased more than 30 per cent between 1959 and 1965.

Most of the increase occurred after 1962 when the final section of I-75 in the Lower Peninsula was opened to traffic.

Hewitt said the increase in sales tax collections on food during June, July and August between 1960 and 1966 was higher in 19 Northern Michigan counties than it was in the rest of the state.

The largest percentage increases in both traffic and sales tax collections on food occurred in the corridor of counties through which the Ohio-Soo Freeway passes.

"However, it is evident that all areas south of the Mackinac Bridge have benefited," Hewitt said.

Summer traffic volumes on the Ohio-Soo Freeway north of Clare increased from an average of 5,421 vehicles per day in 1959 to 13,800 vehicles per day last summer.

Sales tax collections on food increased 40 per cent between 1961 and 1966 in 10 counties between Clare and the Mackinac Bridge compared to a state-wide average increase of 25 per cent.

"Unquestionably, I-75 is triggering economic expansion in the northern half of the Lower Peninsula," Hewitt said.

"However, it appears the Upper Peninsula is not benefiting fully in the summer travel boom that has occurred south of the Mackinac Bridge."

Hewitt said the long distances, the toll rates on the Mackinac Bridge and lack of an East-West Freeway in the Upper Peninsula are the principal reasons that similar travel-related economic expansion has not occurred in the Upper Peninsula.

The 45 counties in Northern Michigan and the Upper Peninsula were divided into 12 areas of similar size for a comparison of sales tax collections on food during June, July and August.

Counties in each of the 12 areas and the per cent of increase in sales tax collections on food during the summer months between 1961 and 1966 include (Statewide average increase was 25 per cent):

—Up 27 per cent in Arenac, Gladwin, Iosco and Ogemaw counties.

—Up 43 per cent in Clare, Crawford, Kalkaska, Missaukee and Roscommon counties.

—Up 25 per cent in Lake, Mason, Mecosta, Newaygo, Oceana and Oshtemo counties.

—Up 32 per cent in Benzie, Grand Traverse, Leelanau, Manistee and Wexford counties.

—Up 24 per cent in Alcona, Alpena, Montmorency, Oscoda and Presque Isle counties.

—Up 39 per cent in Antrim, Charlevoix, Cheboygan, Emmet and Otsego counties.

—Up four per cent in Chippewa, Luce and Mackinac counties.

—Up six per cent in Alger and Marquette counties.

—Up eight per cent in Delta, Emmet and Schoolcraft counties.

—Down one per cent in Dickinson and Iron counties.

—Up 10 per cent in Baraga, Houghton and Keweenaw counties.

—Up four per cent in Gogebic and Ontonagon counties.

Mr. and Mrs. Max Clark returned home Tuesday of last week after enjoying seven weeks in Florida at St. Petersburg.

Mrs. Minnie Fales and son and wife Mr. and Mrs. Clarence Fales of Lansing spent Easter Sunday and overnight with the former's daughter and family the Oscar Smiths. The Don Sorenson family were also dinner guests Sunday.

Doug Berry was home visiting his parents the Stanley Berrys the week before Easter from Lake Superior College, Sault Ste. Marie. He returned to his studies after Easter. His brother Wave is also home from Northern Michigan U., Marquette, and plans to enter the service.

Opening soon, Chimes Hobby Shop by Donna Renaud.

The Phil Faustmanns have moved back to Grayling in the past few weeks and are making their home on Huron St. across from the County barn. He is employed at the Bear Archery Company.

Mrs. Joseph Kapella of Onaway spent Easter weekend with her daughter Mr. and Mrs. Carl Minor and family.

Lyle Canfield of Wayne was also home Easter weekend to visit his family, the John Canfields Jr.

Mrs. Blanch Azleton was in Pontiac Monday of this week to attend funeral services for her brother-in-law Floyd Evisler, who died suddenly at his home in Tucson, Ariz. Last week on Wednesday Mrs. Azleton attended the funeral services in Bellaire for her step-grandchild Rhoda Polzin.

Mr. and Mrs. William Laurent had her daughter Connie and Connie's son John from Flint visiting them for several days the past week.

Mr. and Mrs. Kenneth Ashton received word last week that their son-in-law Wayne Holzman has been promoted to the rank of Senior Master Sergeant. The Holzmans have moved from Jacksonville, Arkansas to Tucson, Arizona and have bought a home there. During Easter vacation Mr. and Mrs. Ashton spent two days in Flint visiting their son and family the Bill Faircloths.

Tom Hatley of Chicago was here to attend the services for his mother on Tuesday, and stayed on for several days visiting his father.

The Bunco Club had Mrs. Kip Papendick as hostess last Thursday. Two guests for the evening were Mrs. Doris Wilkins and Mrs. Helen Harwood. First prize went to Mrs. Rex Hawkins, second to Mrs. Walt Allington and low to Mrs. Walter SanCarter. The club's next meeting will be on April 13th with Mrs. Henry Stephan as the hostess.

Earl Gierke and Charles Gierke spent Easter weekend visiting Mr. and Mrs. Frank Gierke and family at Manistique, in the upper peninsula.

Miss Linda Christian was home from Ferris State College, Big Rapids, for the between-term break visiting her parents, Mr. and Mrs. LaRoy Christian, and had as her guest John Allen Rieple of East

Go Fly A Kite, But Watch Yourself

"Fly your kite, if you must, but observe simple kite safety rules," said M. D. Porter, manager of Consumers Power Company's Cadillac District.

"Each spring we expect a number of calls from parents whose youngsters have tangled kites with electric equipment in their neighborhood," he said.

And, each spring, youngsters are asked to observe these simple rules:

1. Always use dry string, wood and paper in your kite, not wire or metal.

2. Always fly your kite on days when there is no rain.

3. Always avoid busy streets and highways while flying your kite.

4. Always fly your kite away from TV and radio aerials, electric or power lines.

5. Always keep away from fallen wires.

6. Always call your power company if your kite gets snagged in

a power line. Do not pull the string or climb power poles.

"Consumers Power has distributed kite flying safety rules to a number of schools in this area," Mr. Porter said. "We hope there will be no unhappy incidents during March and early April, Michigan's kite season," he said.

Attend The Church Of Your Choice

The high spot of our family album! We've only seen Meg hold this solemn expression once before, when she was a freckled angel in the Sunday School pageant... and then she wasn't quite so cross-eyed!

Meg's our darling adopted daughter, and usually she's a little livewire... full of surprises. It was Meg's enthusiasm for Church School that led us to improve our own record of church attendance. It was Meg's searching question, "Why don't we ever thank God for dinner like the Andersons?" that revived the custom of mealtime grace in our home. And it was Meg's worry about "the poor hungry children" that eventually drew us into our work for the Mission Fund.

Frankly, we used to be "fringe Christians," giving God very little of our time or thoughts. Meg was God's instrument in showing us that our church really needs us... and that it is a blessed thing to be needed.

Cancer Control Month

April is Cancer Control Month by Presidential proclamation. During the month the American Cancer Society is asking the public to take three important actions.

If you do not know cancer's warning signals, learn them.

If you have not already had an annual health check-up, have one.

Support the Society's programs of research, education and service.

The first two are for protection now; the third for possible protection in the future.

Only 69 per cent of the public can name one of cancer's several warning signals. A better record is urgent.

Going to a doctor at a first warning signal usually can lead to early diagnosis if cancer is present, and early diagnosis followed by proper treatment greatly enhances the chance of cure.

An annual health checkup, coupled with response to any of cancer's warning signs, is the best possible protection against death from cancer. A doctor can often detect cancer before a person is aware something is wrong. And the doctor can sometimes find conditions that might lead to cancer if uncorrected.

Funds for the Society's program of research, education and service are essentials in the fight against cancer.

Voluntary health organizations such as the American Cancer Society have a vital function in financing research, stimulating support by the government and other fund-granting groups and pioneering in what is called "risk investment" in the hope of developing new and solid ideas. Education about cancer prevention, detection and treatment must be broadened and intensified. Much can and should be done, too, to aid the cancer patient needing help.

Remember that only ten years ago one-fourth of those who developed cancer were saved; now it is one-third; it could be one-half, without adding an iota to our present knowledge and skills. Much of what happens depends on your personal responsibility and your financial investment in programs of research, education and service through the American Cancer Society.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALLANCHE OF 23 YEARS AGO

April 6, 1944

A petition was presented by Maurice Dore of the Dore Manufacturing Co. (occupying the former Corwin Garage building) and signed by practically all the property owners affected, and other interested parties, for an alley back of the business places on Michigan Avenue between Peninsular Ave. and Cedar St. City Mgr. George Granger and Attorney Charles E. Moore were authorized to negotiate for the property affected, payment of \$3 per front foot, with exception of that abutting Peninsular Ave. and Cedar St. where values are somewhat higher.

Of interest to friends in Grayling is the marriage of Mrs. Agnes Ahman to Mr. Floyd A. Cole of Saginaw, which was solemnized Friday, March 10, at the First Presbyterian Church, Saginaw, with Dr. Henry W. Fisher officiating. Mr. and Mrs. Cole will make their home in Muskegon where Mr. Cole is employed by the Government.

Mrs. Foryst D. Barber is in Detroit, accompanying her son Jack, who is joining the Navy.

Earl R. Burns was the highest bidder for the purchase of the property known as the Burrows Market Corner, and owned by the City of Grayling. The purchase price is \$2,510. Bids were opened at the regular monthly meeting of the City Council Monday night. Three other bids were filed, Earl Dawson, Carl W. Peterson and John Bruun. It was Mr. Burns' intention to construct a building of brick or other approved building materials just as soon as OPA regulations will permit.

Mrs. Robert Hayes was hostess to the Wednesday and Saturday bridge clubs and guests at a luncheon at Zauel's Tavern Saturday afternoon. Five tables of contract were in play following the repast, with high scores held by Mrs. Roy Milnes and Mrs. Emil Giegling. The guest list included Mrs. Carl Peterson, Mrs. Glenn Penrod, Mrs. Franklin Hills, Mrs. Horace Ocker, Mrs. Alfred Sorenson and Mrs. Thomas Stancil.

More hunters got their deer in the 1943 deer hunting season in Michigan on record except for 1941 when antlerless deer could be taken on a camp license, tabulation of returned game hill report cards reveals. The final count places the number of deer killed at 65,087 and the number of hunters in the field at 211,576.

Beginning at 1 o'clock a. m. Sunday, April 16th, the official time for Grayling will be Eastern War Time. Accordingly clocks should be turned one hour ahead at that time. This time will be continued until Labor Day when Central War Time will be resumed.

Stanley (Dusty) Owens of Flint spent the weekend with friends in Grayling.

Mrs. Bertha Davis and Miss Mina Culver of Fowlerville spent a week in Grayling, visiting Mr. and Mrs. Floyd Davis.

Little Billy Heath is ill with scarlet fever at the home of his grandmother, Mrs. William MacNeven.

Last Friday afternoon Lars Rasmussen was greatly surprised when a group of Danish ladies arrived bringing Danish foods of all kinds to help him celebrate his 80th birthday.

Miss Ruth Corwin left March 18th for Glen Arbor, where she has accepted employment with the Jeanne School for Boys and Girls. Mrs. Mary J. Ingerson and Mrs. Katie Waldron are also employed at this school, which is beautifully situated on the shores of Lake Michigan and Crystal River.

The "History of the Feldhauser School", written by Mrs. Arthur Wakeley, the first installment of which appears in this issue of the Avalanche, is very interesting reading and gives you quite a fund of information concerning the early settlers of this section and life as it was then, including the teaching of the "Three R's".

Chris Hoesli and son Clarence have gone to work on a lake boat for the season—the J. P. Morgan, Jr.—which they joined at Conneaut, Ohio recently. Other local people working on the Great Lakes for the season include: James Bugby, Fred Bishaw, Wilfred Wiseman, Mr. and Mrs. Harley Kennedy, Mr. William Golnick, Jerry McClain and Richard Laurant.

William Floeter, one of South Branch township's best farmers, has sold all of his livestock and will discontinue farming until such time as he can secure farm help. John Mallinger, who is registered in Roscommon County, has received definite word that he has passed his physical examination and expects to leave for the Army about April 20.

Miss Lillian Jordan enjoyed having several friends drop in at her home Thursday night to help her celebrate her birthday. Pinochie was enjoyed, Mrs. Lawrence Hunter holding high score, and Mrs. Alfred Hanson low. Lunch was enjoyed and Miss Lillian was presented with a lovely gift from the group.

Amos Hoesli was in Cadillac on Tuesday on business. Mrs. Roger Kneff left for Chicago last Thursday with Mr. and Mrs. T. J. Wheeler and daughter Rae Linda. She will spend a few weeks with them.

Mrs. Kenneth Metz of Flint spent a few days visiting her parents, Mr. and Mrs. Paul LaBrash.

A secret is something that everybody knows, but which the small town newspaper cannot print.

Mrs. Laura Welch and family enjoyed having Luther R. Wilber of Battle Creek as their guest this week. Mr. Wilber has made a large circle of friends in Grayling since he first came here 13 years ago.

The Universal Crane Service in Battle Creek and they are now employed building barracks to house war prisoners at Fort Custer.

Edgewater Resort, home of Mr. and Mrs. John Knecht, was made lively Sunday afternoon when 28 members of the family were guests at dinner honoring Norval and Lacey Stephan, who leave this week to serve Uncle Sam. Those from out of town who came for the occasion were Mrs. Wellman Vallad of Bay City and Stephan Jorgenson and son Steven of Flint. In the evening friends and relatives came in to wish the boys good luck and good hunting.

Beaver pelts are bringing as much as \$50 on the present market while only six years ago they sold for \$8.

A Cheboygan paper recently advertised: "The women of the church have cast-off clothing of all kinds. Look them over in the basement any time this week."

46 YEARS AGO

April 7, 1921

Fire broke out in the darkroom of the Winward Photo studio Tuesday and threatened to wipe out the whole building. In the room with the wind was the grocery store of R. D. Conine, and on the opposite side was the George L. Alexander law office. The fire broke out at 11:10 a. m. The office equipment of Dr. Palmer and furniture and printing material of the Avalanche were carried to the street. All losses were covered by insurance.

Mr. and Mrs. Alfred Bebb, who have been occupying the A. M. Lewis house for the winter, have moved to duPont Avenue.

John Brown is expected home from U. of M. to spend the spring vacation with his parents, Mr. and Mrs. Alfred Brown.

Waldemar Olson and wife arrived in Grayling last night after spending several months in Florida.

Mrs. J. A. Holiday, Mrs. Prudence Marshall and Mrs. W. H. Kelzbeck gave a series of parties at the Holiday home, Thursday and Friday. Mrs. Ambrose McClain and Mrs. Alonzo Colleen held the high and low score for 500 on Thursday. A pedro party was given Friday evening, when Mrs. Carl Doroh and Mr. George Colleen won the first prize and Mrs. Sam Rasmussen and J. J. Hanselman the consolation.

Mrs. A. J. Joseph and Mrs. Harry Simpson are entertaining with a luncheon at Shoppenagons Inn this afternoon. Fifty invitations were issued for the affair.

Peter MacNeven and family spent Easter vacation in Petoskey and Harbor Springs.

Miss Beulah Ewing and Miss Augusta Kraus spent the weekend in Detroit.

Miss Margrethe Nelson has accepted a position as assistant bookkeeper in the local bank, succeeding Miss Mae Whipple, who has resigned.

"Your Protection is our Concern"

Lucky for you it's always the guy next door.

This is a way many of us think about cancer: as if it only strikes the guy next door. And because you're you, avoids you. Perhaps you're lucky. But in 1965 cancer killed 805 guys next door every day. About 295,000 during the year.

Now it's impossible for it to always be the other guy all the time, for all of us. One day it may be someone in your own family. Or a dear friend. It won't always be the guy next door.

What are you going to do about it? Simply live in fear and hope that it will never be you? It needn't be that way. There is something you can do about cancer.

You can have a health checkup every year. Many cancers are curable if detected early and treated promptly. Over 90,000 Americans die of cancer each year who might have been saved. They delay seeing their doctors until it's too late. Many cancers can be cured. But they must be discovered in time.

There are cancers that science does not yet know how to cure. It's to gain this knowledge that money is needed. To continue the constant attack on cancer's resisting secrets. Is it caused by a virus? Can drugs be developed to cure cancer? Why do some people get cancer while others don't? Money to continue support of the many research projects well underway will help provide some answers.

Fight cancer with a checkup and a check. Some day it won't be the guy next door. Or you. Or anyone.

Letters To The Editor

April 3, 1967

Dear Editor:
This letter is to the person who calls herself a lady, you called the Fire Department and sent them to our home at about 3 a.m. April 2. When they arrived and found no fire and to make sure had to awaken us, they like ourselves were not very happy about the false alarm.

Now here is a question for you. Have you any idea what that would do to a person's nerves? Because one year ago, March 28th we were almost wiped out by a fast moving fire that was carelessly set and

only through the fast action and hard work of the Grayling and Frederic Fire Departments also the Conservation Department and County Road Commission, was several of our homes saved.

So, (lady) who ever you are, it was kicks you were after, are it sleep well the rest of the night?

The only thought I have is that you must be sick. Yes, very sick to play with fire and I hope that you will seek medical help as soon as possible before harm comes to you of such pranks.

Very truly yours,
Edmund N. Lozon

All set for the heat wave?

You aren't unless you get
Gas air conditioning.

Even though you may doubt that summer will ever come, talk to one of our Gas air conditioning specialists and he'll convince you. And now that now's the time to plan for a long, cool summer with central Gas air conditioning.

Why now? Because this is when the installers have more time. Later, when the rush is on, you may have to wait to enjoy all the good things about Gas air conditioning. The uniform temperatures, the dehumidified air, quiet operation. No major moving parts to wear out. Operating costs that are about half of electricity. And a special, low air conditioning rate for summer that applies to all the Gas you use.

The prospect of it all? Gas air conditioning is the very best you can buy. And isn't that what you deserve?

Only a small down payment needed now with no more payments until May 1. And five years to pay.

See your Gas heating and air conditioning contractor now. Or one of our air conditioning specialists will come to see you if you call us at 348-6581.

Mr. and Mrs. Bud Wecker and daughters, Anne Marie Church and Irene Annis of Adrian College visited their parents, the Robert Funcks, the Clarence Holcombs, the Jack Churches and the Forrest Annises during the Easter vacation, returning to their studies Monday of this week. Kitt was here for Easter weekend, spending the rest of the time visiting friends and looking for a summer job. Irene and her fiancé, Charles Fowler, visited her parents Thursday to the Saturday before Easter and then she accompanied Charles to Smithton, Pa. to spend the rest of the holiday with his mother and stepfather, Mr. and Mrs. Frank Flower. Mr. and Mrs. Annis, Anita and Jerry spent Easter with Mrs. Annis' sister, the Wayne Jacksons at Lake Odessa. The ladies' father, Walter Decker of Toia, joined them for Easter Sunday. On their return that evening they took Anita back to NMC, Traverse City to resume her studies.

Home Extension News
The Lovells Home Extension Study Group met at Mrs. Fred Koernke's on March 22 with 10 members and two guests, Mrs. Esther Vivian and Mrs. Otto Kuisel, present. A lunch was served at noon, by co-hostesses Mrs. Harry Press and Mrs. Jack Kaiser. The meeting opened with roll call responded to by naming two U. S. Senators from Michigan. The secretary-treasurer's report was given and approved. The chairman reported on the last council meeting. The lesson on "Medical Self-Help" was given by Mrs. Fred Koernke and Mrs. Esther Vivian. The mystery package went to Mrs. William Koernke. The next meeting will be April 12th at the home of Mrs. Mary Venus.

V. F. W. NEWS

On April 12 there will be a V. F. W. meeting, and comrades don't forget that at this meeting there will be nominations and an election of officers. We would like to see as many of you out as possible. A man from Lansing is coming on a project where we may make some money, and would like to have as many out to hear about this possibility.

Don't forget our Zip Code books for our building fund. If anyone needs any they may contact me. Commander William Higbee, publicity.

Reputation of Statements

de by Saul Friedman of Free Press Washington Staff, in his article, "Gov. Romney's Family and His Mormon Background and what it means."

It is quite clear to most people that polygamy did not exist in the Church of Jesus Christ Latter Day Saints until after the death of Joseph Smith in 1844.

Saul Friedman states polygamy began with Joseph Smith about 1840, and in one of his last Revelations 1843 stated plural marriage as ordained by GOD, but the Revelation was not published until years later. To be exact it was published by Brigham Young in 1852. He claimed to have known of the revelation but did not reveal it to the people until that time.

Polygamy began with Brigham Young after leaving Nauvoo, Hancock Co. Illinois in 1847. No record prior to that date.

The Encyclopedia Britannica says: (although his revelation on polygamy was not made public, by Brigham Young until 1852, eight years after Smith's death, and although it is not supported by the Book of Mormon there is evidence that he may have married 50 wives. He publicly acknowledged only one, Emma Hale Smith who bore him nine children.)

Joseph Smith married Emma Hale Jan. 18, 1827 the one and only wife of the Prophet. I maintain if he had 50 wives there would have been mention of their names and dates of these marriages, but there is none to be found. I wrote recently to Elder Tanner a member of the First Presidency of the Church of Jesus Christ of Latter Day Saints, Utah, known as the Utah Mormons. Saul Friedman stated that Elder Tanner rules the Church. I asked for the names of the 49 wives Smith was supposed to have married, also the dates of the marriages, and how many were by proxy. His reply was, he knew not where an accurate record could be found.

The Utah Mormons claim to have accurate history of the Church from its beginning, 1830 in which it mentions Emma Hale as being his wife, but no mention of any future marriages. Any records of Smith's 48 wives must be in secret, not made known publicly and they were all sealed to him by proxy after his death.

Webster says proxy is a substitute, a document by which one person is authorized to act for another.

This means some other man substituted for Joseph Smith. He had no voice in the matter whatever.

These so called marriages did not take place until after the death of Joseph Smith.

Neither do the Utah Mormons intend to release the names and dates of these marriages.

At the death of the Prophet Joseph Smith there was much confusion. The would be leaders began to claim they were Smith's successors. Of these were Brigham Young, James Jesse Strang, William Church, and husband of 49 wives, Smith—many factions arose. We felt do not wish to censure any who felt

with each faction, but we deeply regret they soon found the leaders had introduced many things not practiced in the original church. The church became scattered and disorganized.

Many waited for the Lord to direct, and in 1887 GOD appointed Joseph Smith III the son of the Prophet as leader of the church. From that time on it was known as The Reorganized Church of Jesus Christ of Latter Day Saints. Headquarters Independence, Missouri.

Brigham Young took the largest group of people to Salt Lake, Utah. Jeremiah prophesied in chapter 17, verses 5 & 6. Thus saith the Lord: cursed be the man that trusted in man, and maketh flesh his arm, and whose heart departeth from the Lord, for he shall be like the heath in the desert, and shall not see when good cometh; but shall inhabit the parched places in the wilderness, in a salt land and not inhabited.

Utah at the time Brigham Young arrived there was not a state, neither was it inhabited. The land was parched by the salt. It was a wilderness. It derived its name Salt Lake City because it was a salt land.

The Mormons reached what is now called Utah in 1847 and called the territory Deseret, the name meaning Industry, as used in the Book of Mormon. Congress refused to accept this name and it was officially called Utah. It did not become a state until 1896.

The Mormons made their own laws and elected their own officials. The first anti-polygamy law was passed in 1832.

Miles Park Romney married 4 women after the Federal laws were passed prohibiting plural marriage, he married his last wife, which was the fifth in 1887. The Mormons were forced to give up plural marriage and it has not been taught publicly since.

The greatest objection to Young's leadership was the new revelations he introduced so contrary to the original doctrine, such as: Polygamy; Adam God Worship. (as God is so shall men be.) Utah Doc & Cov. Sec. 132, Verse 20. (Then shall they be Gods, because they have all power, and the angels are subject unto them.) Verse 37 (are not angels but Gods?) He also taught marriage by proxy. 2nd Peter chap. 2, verse 2. (Because of their pernicious ways, the way of truth was evil spoken of.)

James Jesse Strang was the next largest faction. He took his followers to Beaver Island, and became their King. Some 2 years after his arrival on the Island he introduced Polygamy and as a result was shot by 2 of his followers. The Stranges scattered from the Island and joined up with other factions.

Mandral Hedrick occupied the Temple Lot in Independence, Missouri and called themselves; The Church of Christ Temple Lot.

Saul Friedman stated in his Free Press Editorial Jan. 22, 1967 page 1 column 2, Quote: "Joseph Smith Jr. founder and Prophet of the Church, and husband of 49 wives, became a candidate for United States President in 1844." See 132, Verse 51 Utah Doc. & Cov., speaks

after this so called revelation was given. This left him only 11 months to marry the 48 wives, which Mr. Friedman states that he had.

There is no record of any member of the original Church of Jesus Christ of Latter Day Saints having plural wives.

Jesus said "In the mouths of 2 or 3 witnesses shall every word be established."

Book of Mormon; Jacob chap 2:36 reads For there shall not any man among you have save it be one wife, and concubines he shall have none, for I the Lord God delighteth in the chastity of women.

Utah edition of the Book of Mormon Jacob 3:5 reads the same.

Book of Mormon, Jacob 2:33: reads Behold David and Solomon truly had many wives and concubines, which thing was abominable before me, saith the Lord. Utah Book of Mormon Jacob 2:24 reads the same.

Doctrine and Covenants Sec. 49:3 reads and again I say unto you, that who so forbiddeth to marry, is not ordained of God, for marriage is ordained of God unto man, wherefore it is lawful that he should have one wife, their twain shall be one flesh. Utah edition of Doc. & Cov. Sec. 48:3 reads the same.

Doc. & Cov. Sec. 111:2 reads; you both mutually agree to be each others companion, husband and wife, observing the legal rights belonging to this condition, that is keeping yourselves wholly for each other, and from all others during your lives. The Utah edition does not have this Sec. in it, but they have in Sec. 132 a revelation on plural marriage.

Doc. & Cov. Sec. 42:7 reads; cleave unto her and none else. Utah edition reads the same.

Bible Ephesians 5:31 reads and they two shall be one flesh.

Mark 10, 8, 9, they twain shall be one flesh, what God hath joined together let no man put asunder.

Polygamy cannot be of God, for in 1 Cor. 14:23 it says; God is not the author of confusion. If God said man shall have but one wife, then change his mind and say many wives, would He not be the author of confusion?

Rom. 3:4 God forbid, let God be true but every man a liar.

Peter testified in his second book chap. 2:2: they shall follow their pernicious ways, by reason of whom the way of truth shall be evil spoken of.

It has been published at times that Brigham Young had many wives, also gave their names. Miles Park Romney many wives and giving their names. Also others after the year 1847. But NEVER names of WOMEN (more than one) married to one man of the original Church. The names of the 49 wives Saul Friedman claimed Joseph Smith had, has never appeared in any public paper.

From the Bible, Philipians Chap. 4:8.

Finally brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.

From the Bible, Philipians Chap. 4:8.

Chamber of Commerce Minutes

Regular Meeting Grayling Regional Chamber of Commerce, Peninsula Inn, March 23, 1967.

Meeting called to order at 1:15 p. m. by second Vice President Ed Rutkowski.

Members Present: Gerry Burns, Ray Elsey, Bernard Fowler, John Latusek, Ed Rutkowski, and Don Welsch.

Members Absent: Billie Forbes, Bill Kraus, and Sandy Thompson.

A report on bills paid since our last meeting and the balance in the Chamber checking account was read to the Board. A motion by Bernard Fowler, second by Don Welsch, that this report be accepted. All Ayes.

The bill from East Michigan Tourist Association for booth space in four travel shows was presented to the Board for approval of payment. Motion by Ray Elsey, second by Gerry Burns, that this bill be paid. All Ayes.

There was no correspondence to be brought to the attention of the Board.

Major Rutkowski presented a graph showing the impact of the National Guard on the economy of the community. This graph was very impressive and it didn't show the approximately 70 year around employees of Camp Grayling.

John Latusek reported on the meeting with representatives of the Michigan Skin Diving Council on March 19. This group plans to be here the weekend of May 20 & 21.

Grayling Area Jaycees Meet

By Lary Gust

Grayling Area Jaycees held their last regular meeting on March 20, 1967.

The Grayling Trade Show was discussed and it was decided that we would assist in setting up the booths and have a booth of our own.

Our Jr. Champ Track Meet was discussed and trophies were selected. Fifty-seven trophies and one hundred thirteen medals will be given away.

A safe-driving rodeo was discussed and a committee was appointed to look into the project.

Taking the Grayling baseball team to see the Detroit Tigers play was discussed and a committee set up to plan this event.

The placing of four more litter barrels in the AuSable River during the month of April is planned.

The making of a City Directory for placement in every business was discussed and tabled for future discussion.

With the cooperation of Mr. Al Murray of General Telephone and the Grayling Schools, the placement of our telephones for our vote drive is set. Thanks to Cornell Agency for their making free printing of our leaflets available and to the Chamber of Commerce for additional printing on the back side of these leaflets.

The up-coming election was discussed and a motion was made that the Grayling Area Jaycees support Mr. Paul Thompson as being our preferred candidate. This motion was discussed and passed unanimously.

It was brought to our attention that assistance is needed to prepare some litter bags for use on the AuSable and it was decided that we would do anything possible for this cause.

Different fund raising projects were discussed and all tabled for further discussion.

Next regular meeting was set for April 10, in City Hall at 8 p. m.

More Cigarette Smoking In County

(Special to the Avalanche)
NEW YORK—What changes have Crawford County residents made in their smoking habits since the government ordered cigarette manufacturers to put warning on each package?

Practically none, according to the latest statistics on cigarette smoking in the area.

The warning, which read: "Caution: cigarette smoking may be hazardous to your health," has been almost completely ignored.

Many people, in fact, have never noticed that there is such a statement on their cigarette packages. Figures released by the Federal Trade Commission, the Tobacco Tax Council and others indicate how ineffective it has been. They show that cigarette sales in the United States rose 2.9 per cent in the past year despite all efforts to induce people to stop smoking.

In Crawford County, most people are smoking more than they did five or ten years ago, the reports show. Estimates place the total amount of cigarettes consumed in the local area in 1966 at 686,000 packs.

This was at the rate of 216 packs per capita for the local population over age 18.

By way of comparison, smoking was at the rate of 215 packs per person nationally, based on the over-18 population, and 209 per person in the East North Central States.

And people are going to smoke more and more, despite all the health warnings, until we take a

new approach to the problem, says a University of Michigan professor, Ross J. Wilhelm. "It is time," he declares, "that the government stop wasting our money and personnel on ineffective measures designed to reduce smoking. It is time that it uses some of the huge amounts of money going into research toward finding out what, if any, are the harmful ingredients in cigarettes and how to remove them effectively, while still retaining the flavor of the cigarettes."

How much does the average Crawford County smoker spend for cigarettes? Approximately \$85 per year, it is estimated.

The total bill for the community as a whole, was close to \$206,000 in 1966.

Grayling Airman Aids In World Record Drop

Charleston, S. C. — A U. S. Air Force aircraft mechanic from Grayling, Mich., is a member of an airlift wing cited for setting an unofficial world's record for low-altitude airdrops by C-141 Lockheed Starlifter aircraft.

Airman Second Class Clarence L. Gingerick, whose parents are Mr. and Mrs. Clyde A. Koch of 901 Michigan Ave., Grayling, Mich., supported the 437th Military Airlift Wing at Charleston AFB, S. C., in its recent test airdrop of 34 tons of cargo.

The payload, a string of 28 loaded pallets connected by cables, was paraded from a 500-foot altitude at 160 miles per hour. The cargo hit a 120-foot square bullseye on the Starlifter's initial flight over the target zone.

Wing members conducted the test—part of a demonstration for a Military Airlift Command (MAC) headquarters inspection team—to prove the vast potential of the huge new C-141. The test, combined with other capabilities demonstrated by the airman's unit, brought the wing a successful rating from MAC headquarters observers.

Airman Gingerick's wing was the first unit on the East Coast to fly the C-141 on operational missions. The airman is a 1963 graduate of Grayling High School.

WHAT'S IMPORTANT TO YOUR FAMILY?

"What's important to our family?" "What do we want our children to be?" "Should we buy a new model refrigerator or invest the money?"

Everyday families and homemakers are faced with questions like these. What they decide depends on what they feel is important to them on what they value. "Understanding Our Values" will be the subject of the April 8th meeting in the Area 16 Family Living Education program of Michigan State University, to be held at the Rosecommon County Bldg. at 1:00 P. M. Dr. Margaret Jacobson will be in charge of the meeting.

The meeting will give everyone who attends a chance to take part in a study of their own values. Dr. Jacobson says that we are not always fully aware of what we do value and sometimes have trouble-making decisions. In the present world in which there is much rapid change, innumerable new materials and products for us to consume, new ideas and knowledge to grasp, and mass methods of communication tellings us "do this or do that," "buy this or buy that," we are faced with many decisions. It becomes more and more important to have a scale of values to help us decide how we want to spend our time, our money, our abilities, and to help us decide what we want to do in our families and our communities.

The meeting will also include discussion of how we learn our values, how we teach them to children, and the main values we as Americans hold.

No Quitting Time on Service

We think of the job of servicing our clients as a round-the-clock proposition. After all, losses don't limit themselves to an 8-hour workday. If you suffer a loss... fire in your home, auto accident, business catastrophe... you want help right away. You'll get just that if you place your protection program in our hands.

BITS O' TALK

Earl Wood reports he had, crochets up and blooming April 1st. Among those here to attend the funeral services for William Christenson on Wednesday, March 29th, were Mr. and Mrs. Andrew MacGuire Sr. and Mrs. Andrew MacGuire, Jr. of Flushing, Miss Eunice Schreiber, Muskegon Hts., Mr. and Mrs. Rufus Edmonds and Edna, and Mrs. Nancy Brower, of Flint, the Elmer VanNatters, Mrs. Leo VanNatter, the Stanley Stephens, Cadillac, William Schreiber, Dearborn, Mrs. Clarence Harris, Midland, Mrs. Louise Hill, Prudenville, the Frank Schreibers, Grand Rapids, the Herman Bohets, Kenneth Bohet, Lansing, Rev. Keith Bovee, St. Johns, Jack Seator, Pontiac, Mrs. George Granger, Big Rapids, Mrs. John Sojka and Chris, and Donald Borchers, Rochester, Mrs. Alice Croteau, Roscommon, Harold Skingley, Saginaw, Mrs. Toni Nielson, Detroit, Mrs. Ralph Hanna, Traverse City, Mrs. Minnie Hartley and Mrs. John Selesky, Rose City.

Mrs. Louise Hill brought William Schreiber to Grayling Monday where he was guest of his sister, Mrs. Frank Serven, until Friday. On Friday the Robert Bovees and Dena, and Mrs. William Christenson took him to the home of his daughter, Mrs. Clarence Harris, in Midland.

The Earl Isenhauers and daughter Kay left Sunday for Hollywood, Calif., for a three-week visit with her brother, George May.

Mrs. Marjorie Fosget came up March 23rd to visit her parents the Fred Niederers. Mrs. Niederer accompanied her back on Sunday. They visited in Detroit, then went to Chicago for a couple of days, and Mrs. Niederer returned home last Saturday.

Mrs. Leo Morency and son Curt and grandson Danny Parkinson of Roscommon drove to Saginaw Friday to visit the W. G. Bruenings. On Saturday Mrs. Morency and her sister Mrs. Bruening attended the Sweet Adelines competition in Lansing, staying overnight there with the Charles Wylie family. Easter weekend guests of the Morencys were Mr. and Mrs. Robert Upton, daughter Sharon and son Brad, of Union Lake.

Mr. and Mrs. Joe Hull returned home Sunday from a month's general tour of Florida, to both the Gulf Coast and the Atlantic Coast. They were accompanied by Mrs. Hull's sister Elsie Crawford Aiken of Jackson. They all stayed for weeks at Ft. Pierce on the ocean front.

Mr. and Mrs. Arthur Anderson of Saginaw were Easter guests of her brother Clarence Robertson. Alfred C. Siwert, Star Route 1, M-72 East, won recognition for good sportsmanship last week in the Metropolitan Miami Fishing Tournament when he caught and released a Tarpon while fishing out of Everglades Dock, Everglades, Florida.

Moose Lodge Activities

The weekend will be a very busy one around the Lodge, starting with a regular meeting Friday evening at 8 p. m. Saturday from 11 a. m. to 3 p. m., members will select their executive committee for the coming year, with the annual election of officers. Starting at 5 p. m. Saturday a swiss steak dinner will be served in the Lodge basement. A donation of \$1.50 for adults and 75 cents for children under twelve is being asked. Tickets for the dinner are available from most members.

Also Saturday, April 8th, there will be an enrollment in the Lodge room by the Bay City degree team at 8 p. m. All this is this Saturday, April 8th.

On Sunday, April 9th, the Legion Frolic for District 107 will be held at Grayling, bringing members from various parts of the State.

Other events scheduled for April will be the installation of officers On April 23, there will be a Beaver dinner at the Lodge basement. This is an annual event and is usually a big one.

On April 28, 29, 30, the State Convention will be held at Jackson. Our own degree team will be entering competition there on the 30th.

Sunday afternoon there was a district meeting at Ludington Lodge to elect a new district vice-president for the coming year. Sunday morning the Legion Club held their monthly breakfast-meeting in the lodge basement, with ten members present. The next meeting will be Sunday, May 7th at 11 a. m.

Several members attended the anniversary dinner and enrollment at West Branch Lodge Saturday evening.

Wait Confer reports that our new chairs have been shipped and should arrive at any time.

Don't forget to Vote this Saturday!

IN MEMORIAM

In Loving Memory of mother Elizabeth Cassel who passed away 4-5-63:

I miss your voice and a touch of your hand,
The things we use to do which were so grand.

When we went shopping in the rain,
I can see your face lighting just like flame.

God in heaven wanted you I know,
So to eternal rest you had to go.

You suffered much but now you are at rest,
In heaven with your loved one which I know You loved best.

So sadly missed, by her family,
Your loving daughter Edith Long.

Mr. and Mrs. Earl Nelson returned Sunday from a three weeks vacation trip in Florida, which also included a visit with Mr. and Mrs. William Abraham of Winter Park, Mr. and Mrs. William Lemke of West Palm Beach, Mr. and Mrs. Foryst Barber in Bradenton, Fla., and Mr. and Mrs. Robert Nelson and family in Pontiac, Michigan.

The Tom Standells and Phil arrived home Sunday from Florida. George Standell and John Cook preceded them here by a few days.

Mrs. Christine Armbrust spent several days in Kalamazoo visiting friends during Easter vacation. She returned home Friday. Her sons Steven, Robert and James spent the time with their grandparents, Mr. and Mrs. Jess Sales.

Mrs. Frances Edwards of East Jordan was in Grayling Tuesday of last week to attend funeral services for Betty Hatley, and to visit Mrs. Nellie Edwards and Mr. Walter Hemmingsen.

Mrs. Charles Corwin was called

THE PURPOSE OF THE BOOK OF MORMON

The book of Mormon is an account written by the hand of Mormon upon plates taken from the plates of Nephi. Wherefore, it is an abridgement of the record of the people of Nephi, and also of the Lamanites, written to the Lamanites, who are a remnant of the house of Israel; and also to Jew and Gentile; written by way of commandment, and also by the spirit of prophecy and of revelation. Written, and sealed up, and hid unto the Lord, that they might not be destroyed; to come forth by the gift and power of God unto the interpretation thereof; sealed by the hand of Moroni, and hid up unto the Lord, to come forth in due time by the way of Gentile; the interpretation thereof by the gift of God.

An abridgment taken from the Book of Esther; also, which is a record of the people of Jared; who were scattered at the time the Lord confounded the language of the people, when they were building a tower to get to heaven; which is to show unto the remnant of the house of Israel what great things the Lord hath done for their fathers; and that they may know the covenants of the Lord; that they are not cast off for ever; and also to the convincing of the Jew and Gentile that Jesus is the Christ, the Eternal God, manifesting himself unto all nations. And now if there are faults, they are the mistakes of men; wherefore, condemn not the things of God, that ye may be found spotless at the judgment seat of Christ. Worship God this week. Regards, members of The Reorganized Church of Jesus Christ of Latter Day Saints. (Adv.)

to Pontiac on Saturday by the death of her brother, Floyd Evislizer. Mr. Evislizer had been spending the winter in Tucson, Arizona, for his health and passed away very suddenly. The body was returned home to Pontiac for burial on Monday. Mrs. Corwin's daughter, Mildred DeWitt from Lansing, came up Friday evening in order to drive Mrs. Corwin to Pontiac for the funeral.

1965

USAC-supervised tests proved that a '65 Ford rode quite a bit better than a \$17,000 Rolls-Royce.

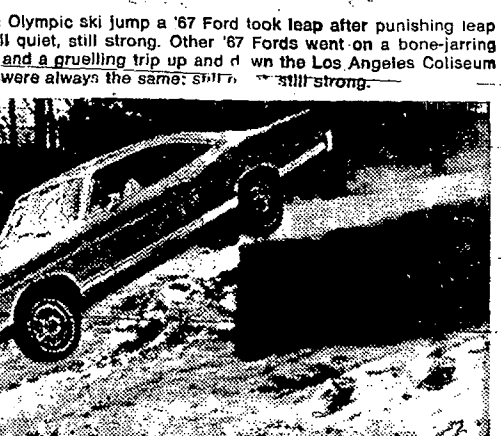

1966

After comparison rides, owners of the world's most expensive luxury cars like Jaguar and Mercedes-Benz agreed that a '66 Ford was quieter.

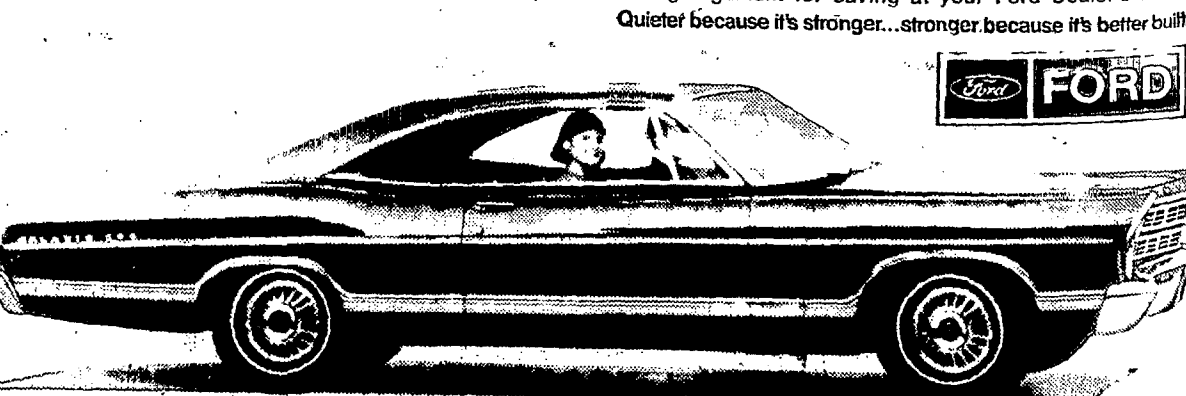

1967

At the Lake Placid Olympic ski jump a '67 Ford took leap after punishing leap and rode away still quiet, still strong. Other '67 Fords went on a bone-jarring steep-chase ride and a grueling trip up and down the Los Angeles Coliseum steps. The results were always the same: still quiet, still strong.

Year after year, you're ahead in a Ford
-ahead in quiet, ahead in strength.

Year after year, we do things you'd never do to demonstrate Ford's quiet and strength. This year's tests were the toughest yet. But the durable Ford came through again — quiet and strong. That's because the 1967 Ford is the strongest, quietest Ford we've ever built. Over 150 important parts have been strengthened and improved. And the 67's offer plenty of convenience and luxury features too. SelectShift Cruise-O-Matic transmission that's fully automatic and fully manual. It adds up to a pretty strong argument for saving at your Ford Dealer's now. Quieter because it's stronger...stronger because it's better built.
